Raaz is really cool and helpful during office hours!
It's been a delight learning from you.
i only interacted with raaz during his office hourse. his OH was a totally different style form what I expected. first off, he takes the time at the start to record all the students' names. Then, he goes through and asks for specific questions. Then, somehow, he has all the questions and their procedures + solutions memorized, and then he can immediately start relaying hints and help with the steps. His voice projection is great, and does an excellent job in moving conversation, etc. cool dude for sure
I didn't attend this GSI's section
